

# DRAFT TIMETABLE, AUTUMN CONFERENCE 2013

## KEY AND EXPLANATIONS

### Abbreviations explained –

F	Conference fringe session	SOC	Standing Orders Committee
W	Workshop session on Agenda motion	DRC	Disputes Resolution Committee
H	Hustings for committee elections	GPEX	Green Party Executive
VP	Voting Paper	GPRC	Green Party Regional Council
DVP	Draft Voting Paper	GWEB	Green World Editorial Board
EGP	European Green Party	EandD	Equalities and Diversity

### There are three sections in the Agenda:

Section A	Reports from Party bodies (there's a full set of reports submitted to Autumn Conference)
Section C	Policy motions
Section D	Organisational motions, and motions that don't fit into the other categories

There is no Section B Voting Paper at this conference

For workshops on the motions in the agenda, they are referred to thus – (CΩnn)(Cmm) where CΩnn is the number in the Final Agenda and Cmm is the number in the First Agenda, and similarly for Section D.

There are 22 motions in Section C and 14 in Section D. The numbering in the First Agenda runs from C01 to C22 and D01 to D14 and in the Final Agenda from CΩ01 to CΩ22 and DΩ01 to DΩ14. The reports in Section A were not in the First Agenda and are numbered from A01 upwards..

The following motions have been recommended by SOC for fast-tracking. If this is agreed during the plenary debate on the SOC report, then they will be formally proposed and voted on without debate at the end of the SOC report. The workshops on fast-tracked motions will then be cancelled.

CΩ10 (C01)	Europe policy
CΩ13 (C16)	High Speed Rail
DΩ09 (D03)	Fast-tracking of motions
DΩ14 (D12)	GPEX Standing Orders

Where there is more than one workshop scheduled in a single slot, the start time is the number of minutes into the session as indicated, thus:

1245-1345	"Workshop session a 00- A02 Policy committee report"
	"Workshop session b 30- A03 DRC report"

means that there are workshops on two conference motions in the same time slot and the Policy committee report workshop starts 00 minutes after the indicated start time for the slot, i.e. at 1245, and the DRC report workshop starts 30 minutes after the scheduled start of the session, i.e. at 1315.
