

Timetable

Abbreviations explained -

Abbreviation	What does it stand for
DVP	Draft Voting Paper
F	Conference fringe session
H	Hustings for committee elections
T	Training session
VP	Voting Paper
W	Workshop session on Conference motion
DRC	Disputes Resolution Committee
EGP	European Green Party
GPEX	Green Party Executive
GPRC	Green Party Regional Council
GWEB	Green World Editorial Board
SOC	Standing Orders Committee

For workshops on the motions in the agenda, the motions are referred to by the numbering in the final agenda.

Agenda Sections	What's in them
A	Reports from Party bodies (there's a full set of reports submitted to Autumn Conference)
B	Voting Papers (A voting paper usually equates to a chapter of the PSS)
C	Policy motions
D	Organisational motions, and motions that don't fit into the other categories

There are 17 motions in Section C and 8 in Section D; no Voting Paper has been submitted for this conference. Motion D06 is recommended for fast-tracking; if this is agreed in the debate on the SOC report it will be voted on without discussion at the end of that debate.

Where there is more than one workshop scheduled in a single slot, the start time for each is shown, thus:

1245-1345 "Workshop session a 1245 - A02 Policy committee report"

"Workshop session b 1315 - A03 DRC report"

This means that there are workshops on two conference motions in the same time slot and the first one starts at 1245 and needs to finish in time for the next to start at 1315.
